Luxury couples enrichment programmes

Enjoy a weekend in style at a luxurious spa, while obtaining a better understanding of your partner and building a happier and more fulfilling relationship.

Let the tranquil environment of *Riverview Spa* and the beauty of nature soothe you, whilst the romantic treatments draw you and your partner closer.

Synergy Psychological Services' capable psychologists will facilitate the psychological programme. This programme is interactive and fun and will aid you with adequate tools to enhance your understanding of yourself and your partner.

Package includes:
